

Journal Sequence for Odoo

Develop by - Icon TechSoft Pvt. Ltd.

Features

To set sequence for journals go to, Invoicing/Accounting -> Configuration -> Journals as shown in below image:

The screenshot shows the Odoo Invoicing interface. The top navigation bar includes 'Invoicing', 'Customers', 'Vendors', 'Reporting', and 'Configuration'. The 'Invoicing' menu is open, showing a list of configuration options: Settings, Invoicing, Payment Terms, Incoterms, Banks, Add a Bank Account, Reconciliation Models, Accounting, Taxes, Journals (highlighted with a red box), Currencies, Fiscal Positions, Journal Groups, Tax Groups, Payments, Payment Acquirers, Payment Icons, and Payment Tokens. The main content area displays 'Company Data', 'Invoice Layout', and 'Create Invoice' sections. Below these, there is a table showing invoice details.

Number	Customer	Invoice Date
INV/2023/00003	Deco Addict	08/08/2023
INV/2023/00002	Deco Addict	08/08/2023

I use sequence size 4

-- Let's check sequence for purchase journal type for that go to, Invoice > Vendor > Bills as show in below image:

The screenshot shows the Odoo Accounting Dashboard. The top navigation bar includes 'Invoicing', 'Dashboard', 'Customers', 'Vendors', 'Accounting', 'Reporting', and 'Configuration'. The 'Bills' menu is highlighted under the 'Vendors' section. The dashboard features four main cards: 'Accounting Periods', 'Chart of Accounts', 'Taxes', and 'Bank Account'. Below these are two sections: 'Customer Invoices' and 'Vendor Bills'. The 'Vendor Bills' section shows a summary of bills to validate, pay, and late bills, along with a bar chart showing the distribution of bills across different due dates.

>> Create vendor bills with modified sequence:

The screenshot shows the Odoo Vendor Bill creation form. The bill number is '11/08/2023/0001/PBILL'. The form includes fields for Vendor, Bill Date, Accounting Date, Due Date, and Journal. The 'Journal' field is highlighted with a red box and contains the text 'Vendor Bills in INR'. Below the form is a table with columns for Product, Label, Account, Quantity, Price, Taxes, and Subtotal. The table contains one row for 'E-COM07 Large Cabinet' with a quantity of 1.00 and a price of 800.00.

Product	Label	Account	Quantity	Price	Taxes	Subtotal
E-COM07 Large Cabinet	E-COM07 Large Cabinet	210700 Purchase Expense	1.00	800.00	GST 5%	₹ 800.00

-- Same way you can customize it for refunds

-- You can check this from **invoice=>customer=>payments**. You can see in below image.

The screenshot shows the Odoo Invoicing dashboard. The top navigation bar includes 'Invoicing', 'Dashboard', 'Customers', 'Vendors', 'Accounting', 'Reporting', and 'Configuration'. The 'Customers' menu is open, showing 'Invoices', 'Credit Notes', 'Payments' (highlighted), 'Products', and 'Customers'. The dashboard overview includes sections for 'Accounting Periods', 'Chart of Accounts', 'Taxes', and 'Bank Account'. Below these are 'Customer Invoices', 'Vendor Bills', 'Miscellaneous Operations', 'Bank', and 'Cash' sections, each with a bar chart and summary statistics.

>> Create payment invoice using costumize cash journal.

The screenshot shows the 'Payments' form in Odoo. The form is titled 'Payments / 11/08/2023/001/CSH1'. It includes a 'Save' button and a 'Discard' button. The form is divided into two main sections: 'Internal Transfer' and 'Journal'. The 'Internal Transfer' section has fields for 'Payment Type' (Send/Receive), 'Customer' (Lumber Inc), 'Amount' (₹ 0.00), 'Date' (08/11/2023), and 'Memo'. The 'Journal' section has a 'Journal' dropdown (highlighted) and a 'Cash' dropdown. Below the form, there are buttons for 'Reset To Draft' and 'Mark as Sent', and a 'Draft' button. At the bottom, there are links for 'Send message', 'Log note', and 'Schedule activity', along with a 'Today' button.
